

# YHS32

Ergonomic design  
Built in comfort  
Noise cancelling  
Quick disconnect

## Comfortable, Affordable Headset for IP Phones

YHS32 is the over-the-head headset for office workers, SME, or call center staff. It is compatible with the full range of enterprise IP phones. Ergonomically designed and ultra light weight (only 50g), it incorporates large size ear pad, padded T-bar, pliable steel headband and 330° adjustable microphone boom for all day user comfort. The ultra noise cancelling technology ensures greater clarity, while the quick disconnect jack provides convenience and flexibility for wearers.
